North Carolina Immunization Registry

Training and Production Environment

User Confidentiality Agreement

Electronic Health Record Vendor: SMP/PrescribeWellness Product, Outcomes

As an EHR vendor and a user of the Training and Production region of the North Carolina Immunization Registry,

I agree to abide by the following policies –

1. Use information contained in the registry only for purposes for which it is intended.
2. Release registry information only to those parties allowed access by North Carolina law and North Carolina administrative code.
3. Keep all information contained in the registry confidential.
4. Keep my assigned credentials confidential.
5. Report any violations of confidentiality that I witness.
